# Much Ado About Nothing

**‘Sigh no more, ladies - men were deceivers ever.’** A 20<sup>th</sup> century twist as a group of soldiers return from war in the 1940s. The world-weary Benedick and his friend Claudio find themselves reacquainted with Beatrice and Hero. As memories of conflict give way to a life of parties, Claudio and Hero fall madly, deeply in love, while Benedick and Beatrice reignite their own altogether more combative courtship.
